25X1 15. [] LIAISON ^{reg} Sent a copy of the Agency publication entitled "The Soviet Economy in 1976-77 and Outlook for 1978" to Richard Anderson, House Permanent Select Committee on Intelligence staff, per his request.

25X1 16. [] LIAISON Saw Pat Long, House Permanent Select Committee on Intelligence staff, to ask about the status of the proposed trip of the Committee staff and Members to Europe to look into terrorism in England, France and Germany. Mr. Long told me that right now Herbert Romerstein, House Permanent Select Committee on Intelligence staff, would be accompanying Representative John M. Ashbrook (R., Ohio) and it is still unclear whether Representative Charles Rose (D., N. Car.) would or would not be going. He promised to keep me informed.

25X1 17. [] LIAISON Saw Mike O'Neil, House Permanent Select Committee on Intelligence staff, and discussed details of what the Committee will want in an Agency report on its liaison relationships. I told him that we would have an overview ready for his review prior to his trip and would be in touch with him on the following Tuesday with more detail. He indicated that his patience with us was running dry and I think that I successfully cooled him off.

25X1 19. [] LIAISON Dick Anderson, House Permanent Select Committee on Intelligence staff, called with a request for a background briefing on the NITC. After checking with Ted Shackley, Associate Deputy to the DCI for Collection Tasking, I set the briefing for 0930 hours on Thursday, 12 October 1978 []
